

**IT'S
COMING!**

J.L.C.

Evacuations are under way.

Officials fear massive mud slides if the rain doesn't let up.

Bob, this *must* be the worst storm in history!

No, Jason, Noah's Flood was far, far worse!

Oh, you and that crazy flood!
My cousin is still mad at you at
what you said... She wants to
meet with you.

OK. Come
on over.

Everybody knows that this
planet is billions of years old.

Wait until I get through
with this Bob guy.
I'll tear him to pieces!

I'm glad you made it!

Is that Bob?

Yes.

Bob, why did you tell my cousin that the Earth is *only* 6,000 years old?

Because it's true and it's been proven!

PP 14

*See "Collapse of Evolution" by Scott M. Huse, available from Chick Publications.

No, Bob. You're a *little* mixed up.
You *need* help. I want you to
listen to me...

...because, I'm taking
college courses!

My professor, who has a Ph.D.
and teaches Life Sciences...

...has blown the Bible to
shreds. Let me tell you
about the flood, Bob!

My professor said it's
just a local legend...
the "Local Flood" story!

When people's idea of God
got bigger... so did their flood.
It's mythology, man!

Local floods don't put seashells
on the tops of mountains, Janet.

Your professor
deliberately
sidestepped
Noah's Flood
because it
destroys his
beliefs.

Then tell us about
the Flood, Bob.

When did
it come?

Who cares!

4,400 years ago, God
destroyed this world with water.

Why?

God was sorry He had created man, because sin had corrupted the entire human race.

"And God saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually." Genesis 6:5

Only Noah, alone, walked with God. Noah found grace in the eyes of the Lord.

Noah was one of the greatest men who ever lived and God told him of the coming judgement.

God told Noah to build the Ark... and gave him exact dimensions.

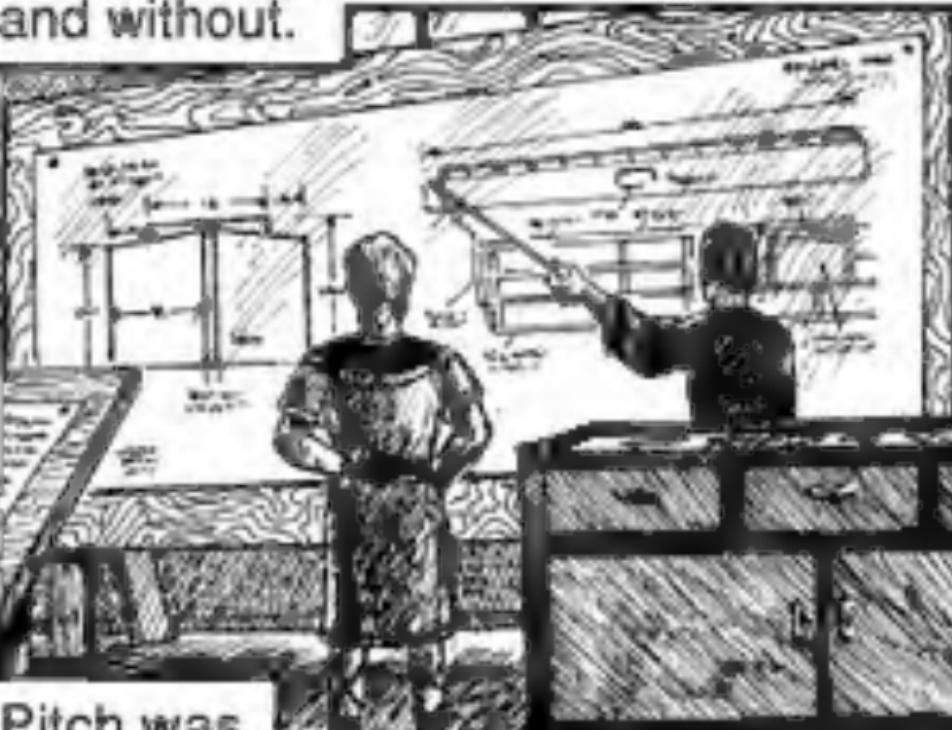

"The length of the ark shall be three hundred cubits,* the breadth of it fifty cubits, and the height of it thirty cubits.***

**Gen. 6:15

*450 ft. long, 75 ft. wide and 45 ft. tall
(137m long, 23m wide and 13m tall).

The Ark was to be built of gopher wood and covered with pitch, within and without.

Pitch was like tar we use for roofing, to protect the Ark from God's coming storm.

It was to contain 3 decks and many rooms. It looked like a giant cargo ship.

This Ark would save Noah, his family and the animals God had chosen.

God told Noah that the end of all flesh had come.

He would destroy all the people — with the Earth.

He was going to
destroy Mother Earth?

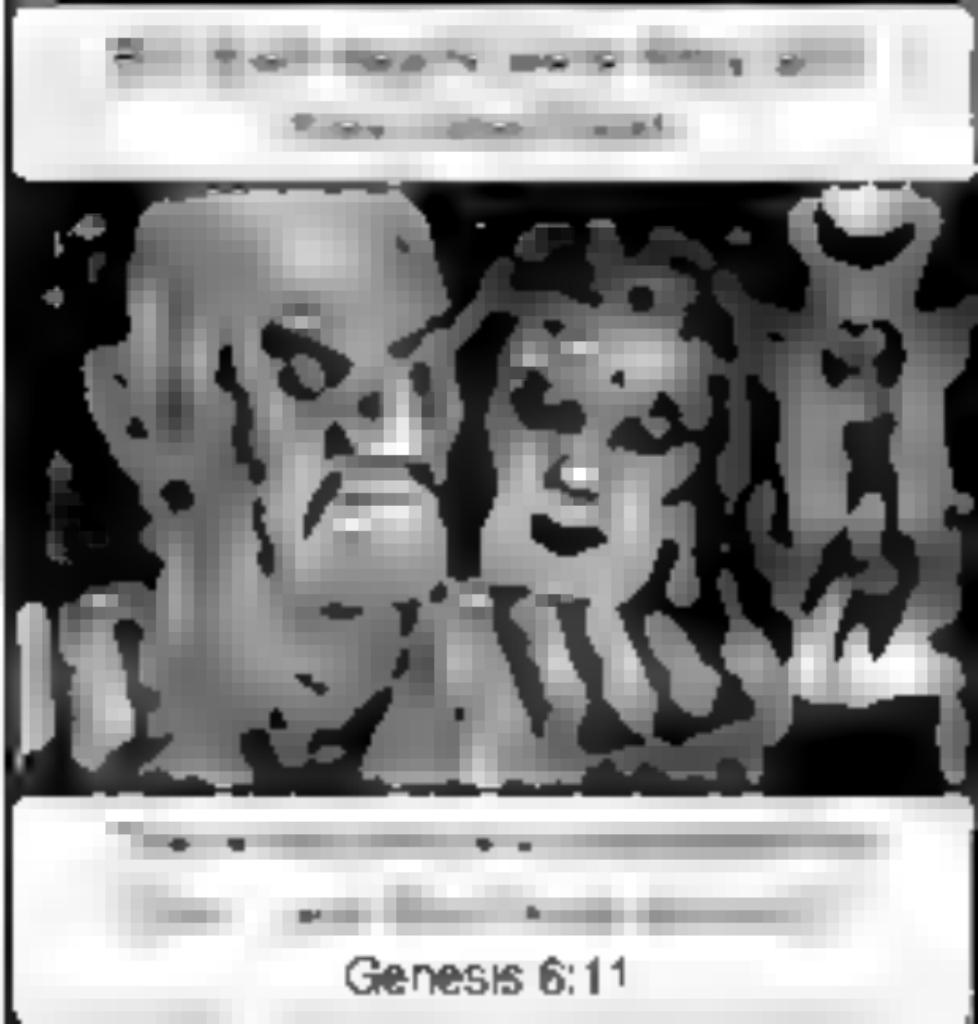

There is no
Mother Earth Janet!

God created the Earth.
It is His. He owns it and
everything in it.

And if God wants to He'll
destroy it with His righteous
anger and He did

The author is the
son of a widow mother
and has written his first book.

MOTHER EARTH

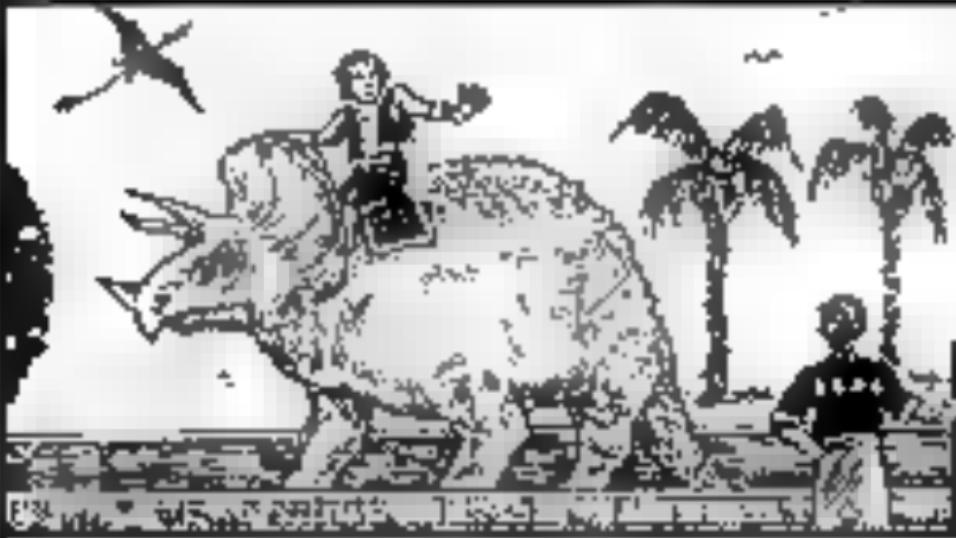

Genesis 6:11

**When God created the Earth
in six days...**

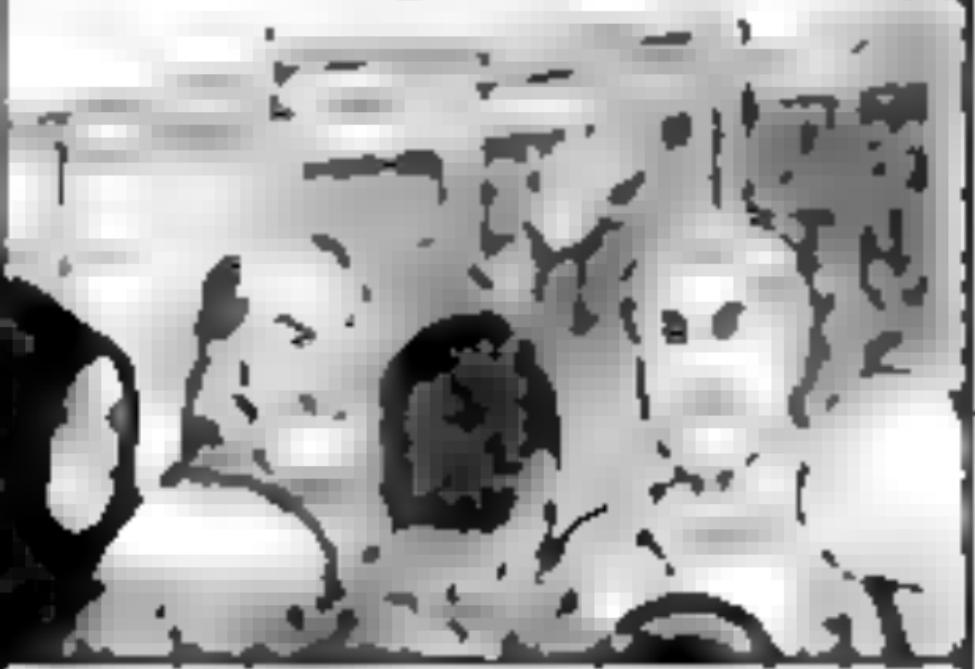

**...He divided the waters and
placed a giant canopy of water
around it on day two.**

The canopy shielded the planet
from the sun's harmful rays and
created a "hot house" effect.

**Before the Flood, weather
conditions were perfect and
people lived to be 900 years old**

Health Begins Understanding The Arts

We have often thought of teaching
religion. The people need some
guidance. But it's better if we
teach them how to live.

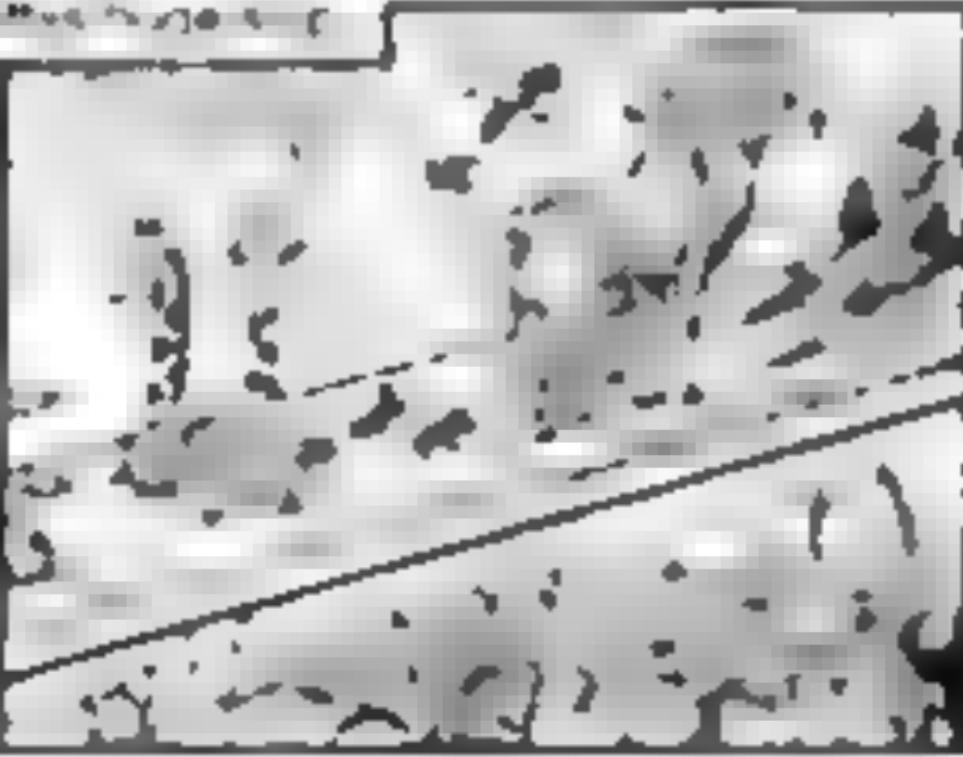

It's on the Arts that I want
to focus. It's what I know best.

...and he said, "I will bring judgment upon all the earth,
but I will spare Noah and his family because I have seen
that you are a righteous man before me."

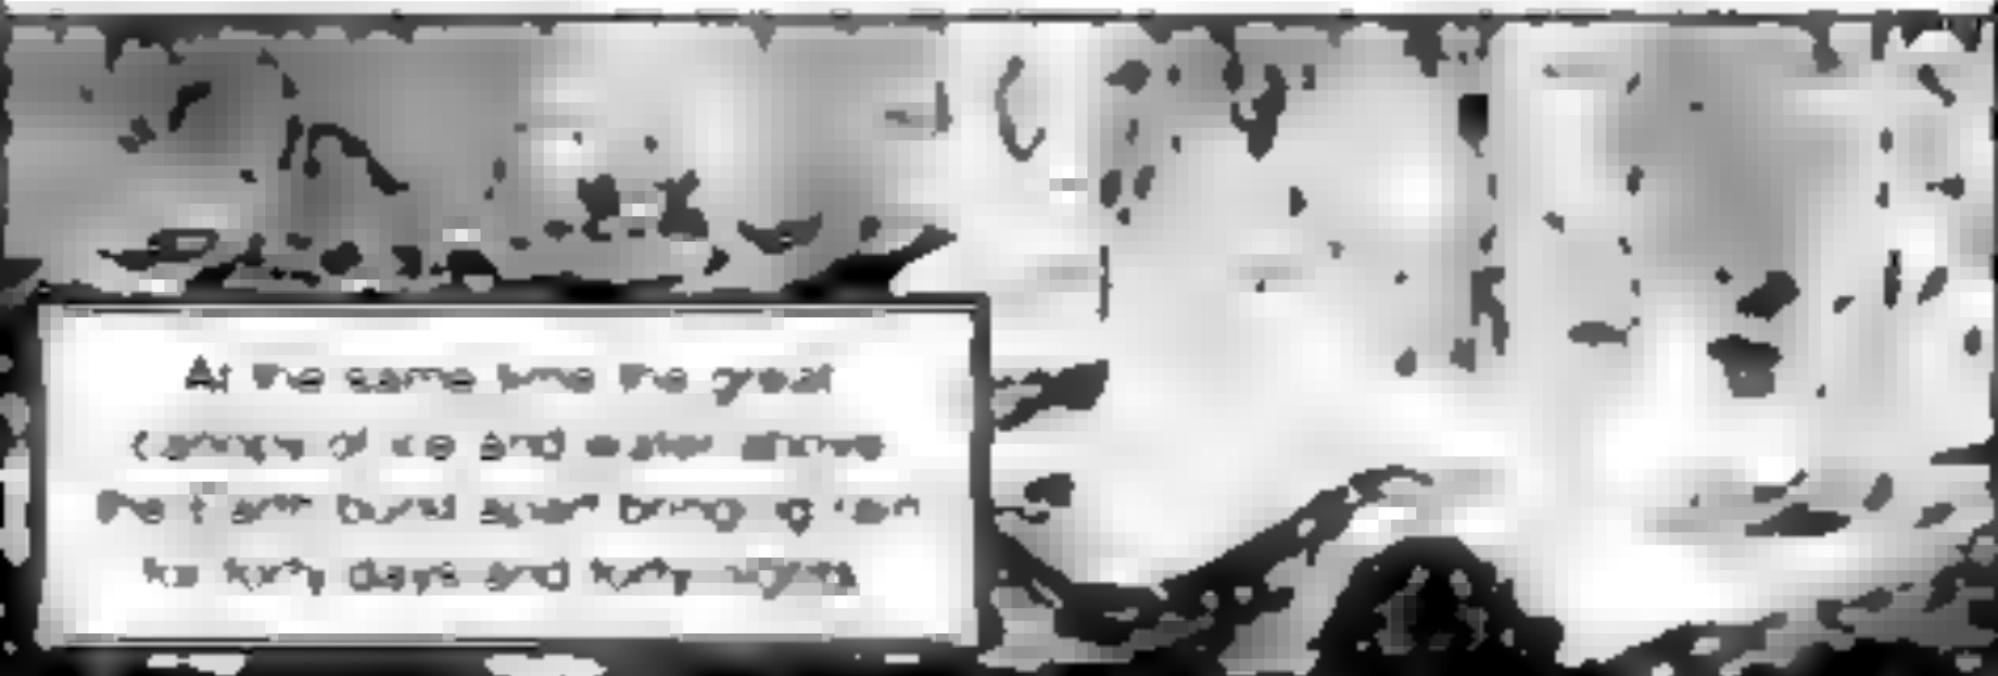

It was big business to build Noah's Ark.
But it was a very difficult job.

God called Noah and his family
into the Ark

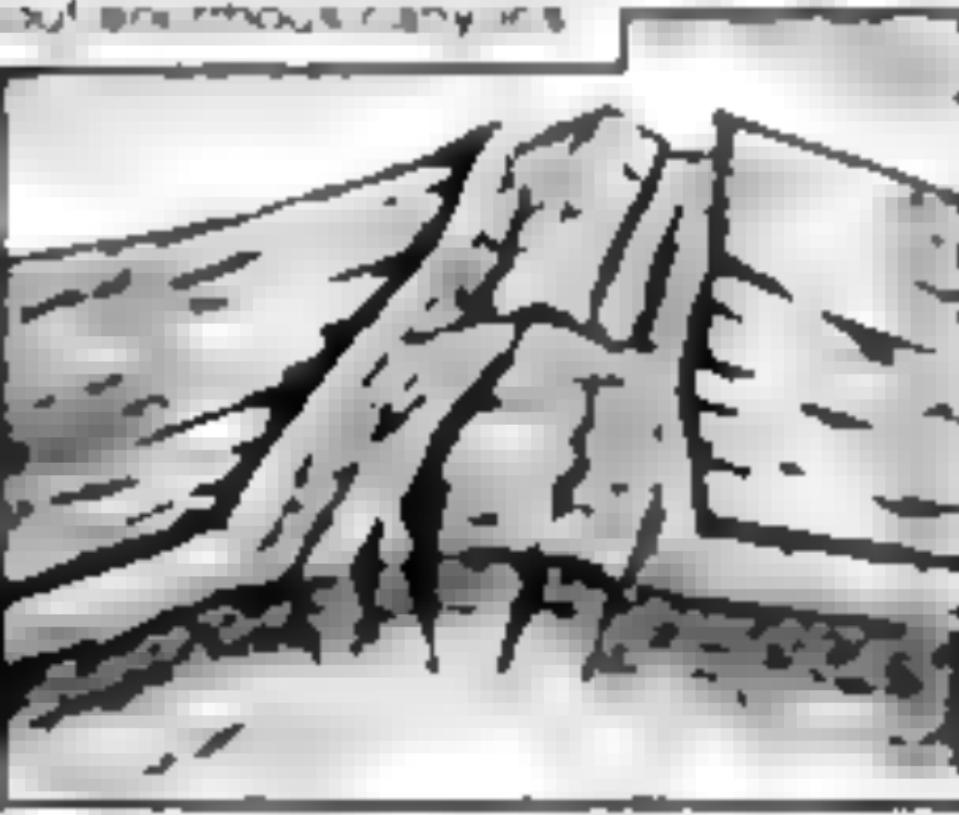

Once inside, God shut the door.
And the world disappeared.

Clouds collected as the ground grew thin, showing marks of water from
the fountains of the snows in the atmosphere.

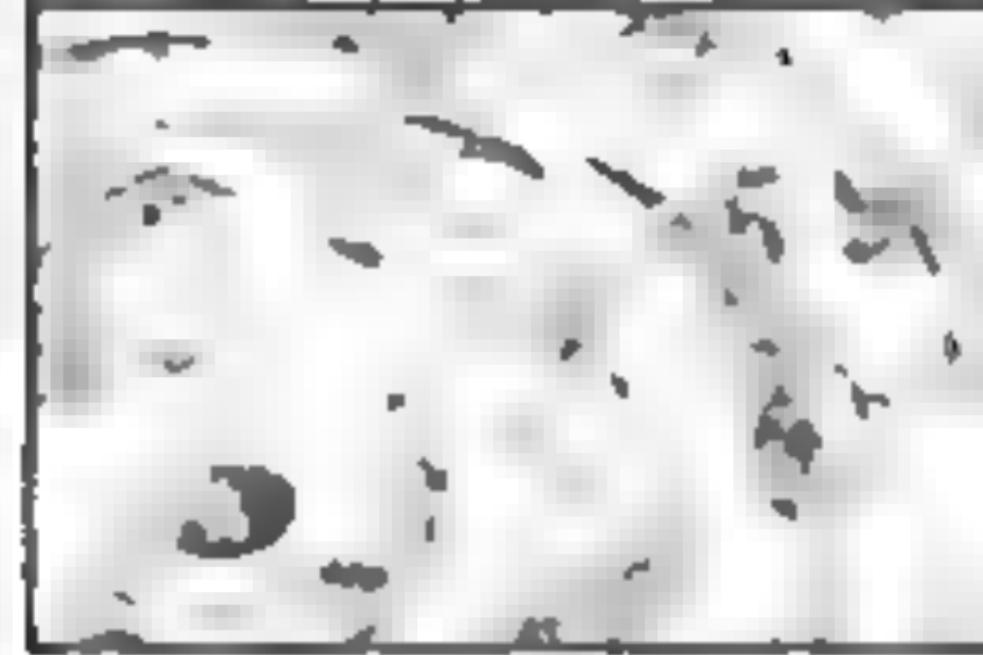

At the same time the great
camps of ice and water show
the first burst when bring given
for forty days and forty nights.

the streets flooded like bath tubs
but one thousand forty five

The Hurricane Camille flood damage
in New Orleans

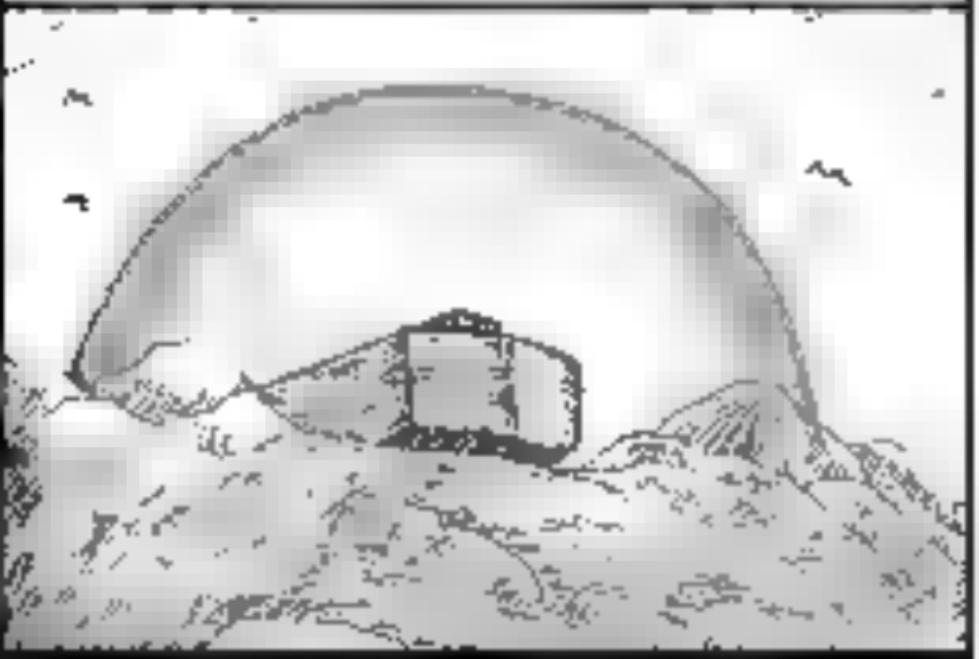

Whipoors tucked amongst trees
and people under water

in New Orleans and Louisiana
Covered with water yet the Ark
is saved there is no such thing

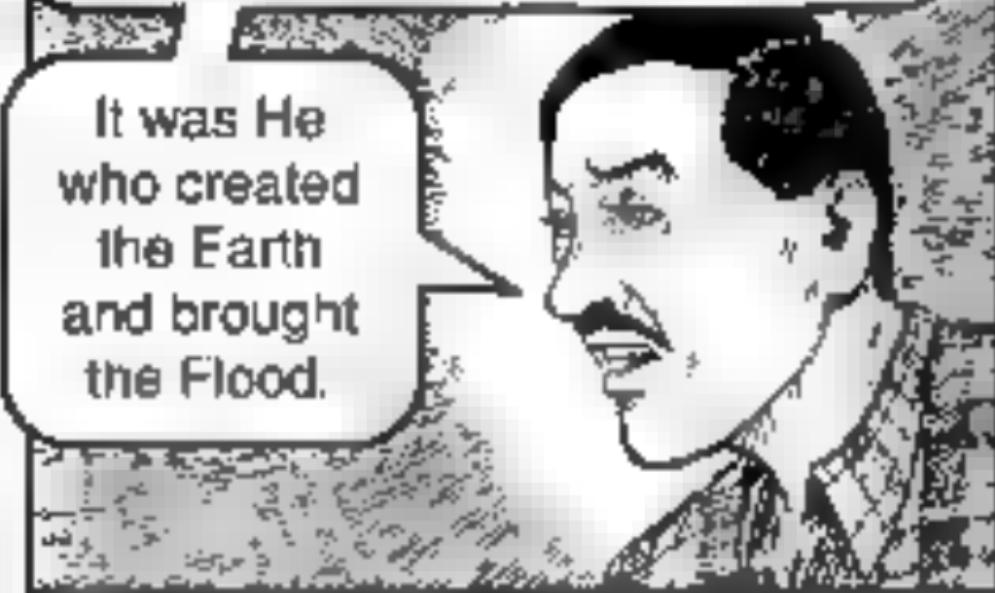

Noah and his family were saved
and God promised never to
destroy the Earth again by water

the next time it will be by fire.

2,000 years ago God (the Son) left
heaven and came to this world *
His name was Jesus Christ

It was He
who created
the Earth
and brought
the Flood.

*He was in the world, and the world was
made by him, and the world knew him not

John 1.10

The Lord Jesus Christ told us that,
as it was in the days of Noah, so
will it be at His second coming.*

He warned of God's future
judgement — unlike anything
ever seen before.

*Matt. 24:37

"But the day of the Lord will come as
a thief in the night; in the which the
heavens...

"...shall pass away with a great noise, and
the elements shall melt with fervent heat.
the earth also and the works that are
therein shall be burned up." 2 Peter 3:10

Jesus' purpose on this first visit was to become a human sacrifice and shed His precious blood for our sins.

"For God so loved the world,
that he gave his only begotten
Son... that whosoever believeth
in him should not perish,
but have everlasting life."

John 3:16

He died, was buried and arose from the dead. 40 days later He ascended into heaven, but He is coming again to take vengeance on all who rejected Him.

Janet, Jesus loves you...
You still have
time to receive
Him as your
Saviour
and Lord.

Janet, it's evolution or Jesus.
What is your choice?

Sob, sob... Lord Jesus save me.
I've been so wicked. Please
forgive me and come into my
heart. I don't want to go to hell.

"For whosoever shall call upon the name
of the Lord shall be saved." Romans 10:13

THE BIBLE SAYS THERE'S ONLY ONE WAY TO HEAVEN!

Jesus said, "I am the way, the truth, and the life; no man cometh unto the Father, but by me." John 14:6

NOBODY ELSE CAN SAVE YOU. TRUST JESUS TODAY!

"That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved." Rom. 10:9

1. Admit you are a sinner. See Romans 3:10
2. Be willing to turn from sin (repent). See Acts 17:30
3. Believe that Jesus Christ died for you, was buried and rose from the dead. See Rom. 10:9-10
4. Through prayer, invite Jesus into your heart to become your personal Saviour. See Rom. 10:13

WHAT TO PRAY

Dear God, I am a sinner and need forgiveness. I believe that Jesus Christ shed His precious blood and died for my sin. I am willing to turn from sin. I now invite Christ to come into my heart as my personal Saviour.

If you trusted Jesus as your Saviour, you have just begun a wonderful new life with Him. Now:

1. Read your Bible (KJV) every day to get to know Jesus Christ better.
2. Talk to God in prayer every day.
3. Be baptized, worship, fellowship, and serve with other Christians in a church where Christ is preached and the Bible is the final authority.
4. Tell others about Jesus Christ.

Here's help to grow as a new Christian! Read *The Next Step*, available at www.chick.com.
