

The Story of Noah

# KILLER STORM

J.T.C.

During World War I, a Russian pilot flew over Mt. Ararat.\*

At about 14,000 ft., he spotted what he thought was a submarine.

Back at the base.

Sergi, you saw what?

I must see it! Take me up... now!

\*See THE ARK, by Chick Publications.

*There it is!*

*Gasp!... I can't believe it!*

*It's actually there!*

*Captain, could that possibly be Noah's ark?*

*Sergi, this could be the most important discovery of the age.*

Word reached the Czar of Russia.  
The palace was alive with excitement.

A black and white illustration of Czar Nicholas II of Russia. He is shown from the chest up, wearing a dark military-style uniform with a high collar and a plumed hat. He is looking down at a newspaper he is holding in his hands. A young boy stands behind him, looking up at him with a surprised expression.

They have found Noah's ark.

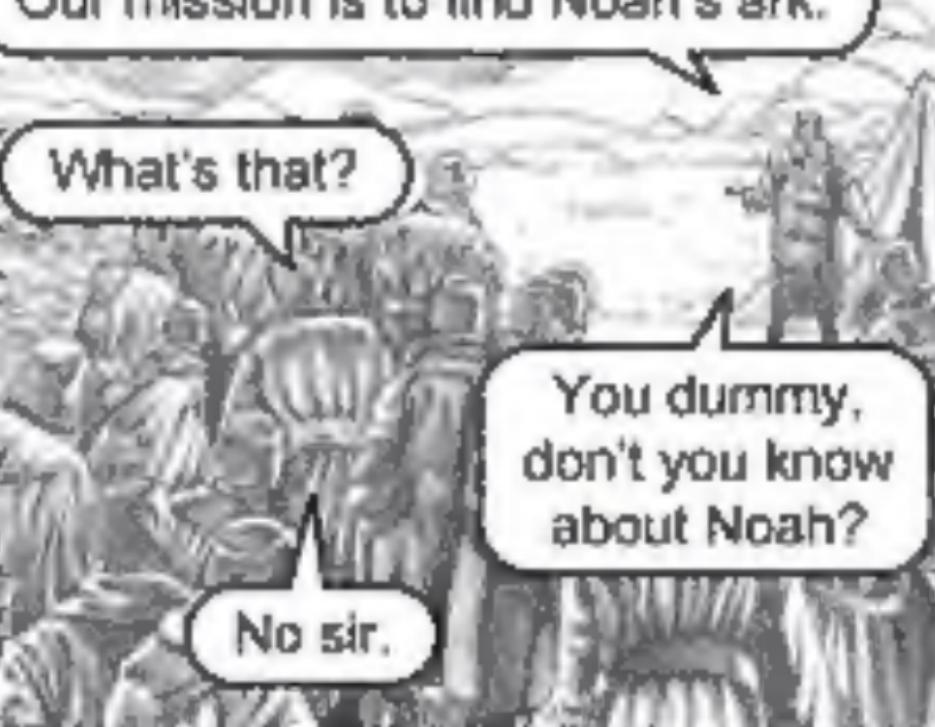

Oh,  
*Father!*

How  
wonderfull!

Czar Nicholas  
ordered a scientific and military  
expedition to search for the ark.

At base camp near Mt. Ararat,

Our mission is to find Noah's ark.

A black and white illustration showing several men in military uniforms standing in a snowy, mountainous landscape. They appear to be members of the expedition. In the foreground, one man is looking towards the right side of the frame.

What's that?

No sir.

You dummy,  
don't you know  
about Noah?

Well, here's what happened:

Read Genesis 5-9

A man named Enoch had a son, Methuselah.

God decided that He would destroy the earth the year Methuselah died.

Mankind was **totally** corrupted.  
Violence was everywhere.  
**God was fed up!**

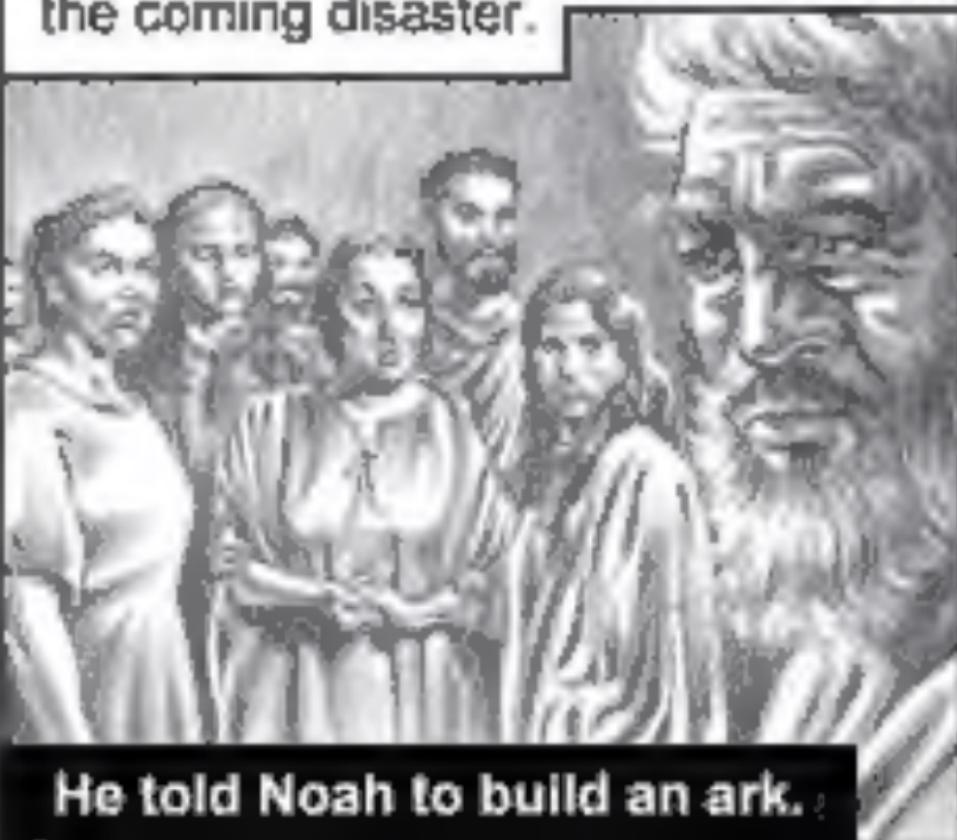

God only trusted one man.

"Noah was a just man and perfect in his generations, and Noah walked with God."      Genesis 6:9

Time was running out. God decided to save Noah and his family from the coming disaster.

He told Noah to build an ark.

It was to be 300 cubits long,  
50 cubits wide, and 30 cubits high,  
with three decks.

A cubit is about 18 inches, from  
the elbow to the finger tips.

Based on a cubit, the ark was  
about 450 feet long.

### The Ark

About the size of a World War II escort  
aircraft carrier (CVE), Casa Blanca class.

The ark weighed about 34,000 tons.

The biggest wooden ship ever built was now under construction.

It took many, many years...  
People came from far and wide to see it... and laugh!

It took guts for Noah to build the ark because it had never rained. God watered the earth with a mist.\*

He should be put away!

\*Gen. 2:6.

Noah warned them for years,  
but **no one** listened.\*

Turn from your wicked ways!

**Shut up,  
Noah!**

We're  
sick of  
you!

There's no God.  
**You're nuts!**

\*2 Peter 2:5

God is so longsuffering. He let Methuselah live to be the oldest man ever... 969 years.

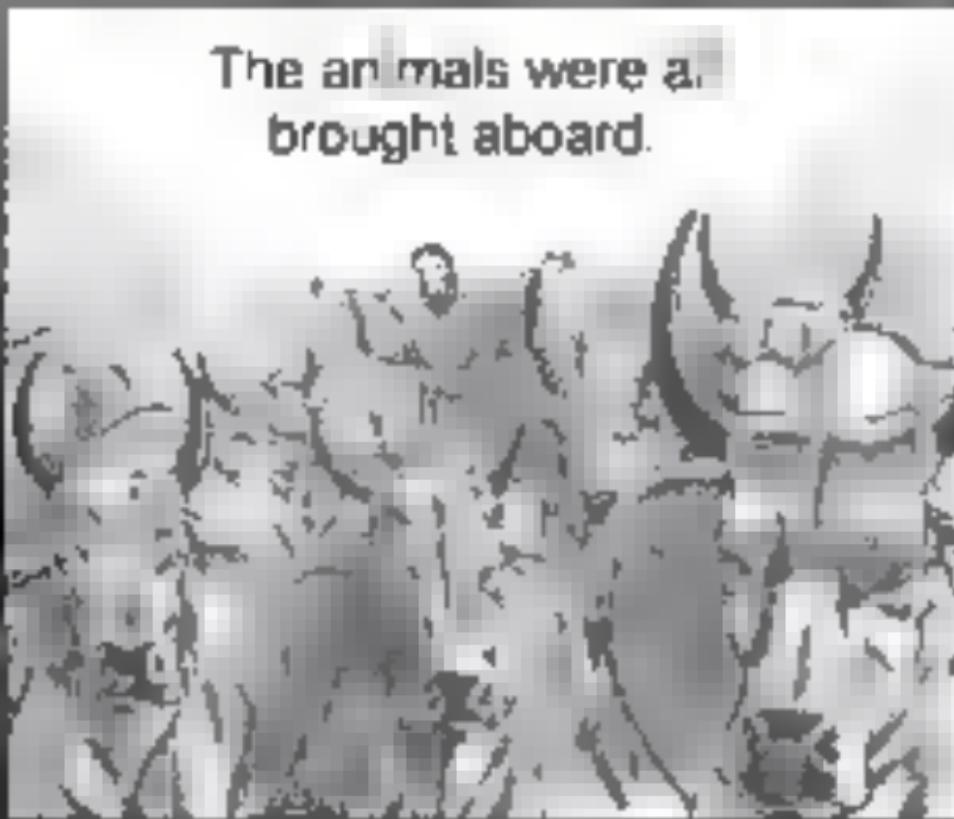

At his death, **no one** dreamed what would happen.

Noah brought two of every sort of animal into the ark, both male and female.

God also told Noah how much food to bring on board.

The animals were all brought aboard.

The people watched completely unaware of what was ahead.

Then God ordered Noah and his family into the ark.

There they go!  
*Haw! haw!*

The fools!

In just seven days, it would start to rain and only Noah believed it.

WHAT'S HAPPENING?

It's getting dark!

What's that  
flash of light?

I'm scared!

I don't want to die!!

It's raining!

Gasp!

Noah was right after all!

After years of warning, God's judgment finally struck!

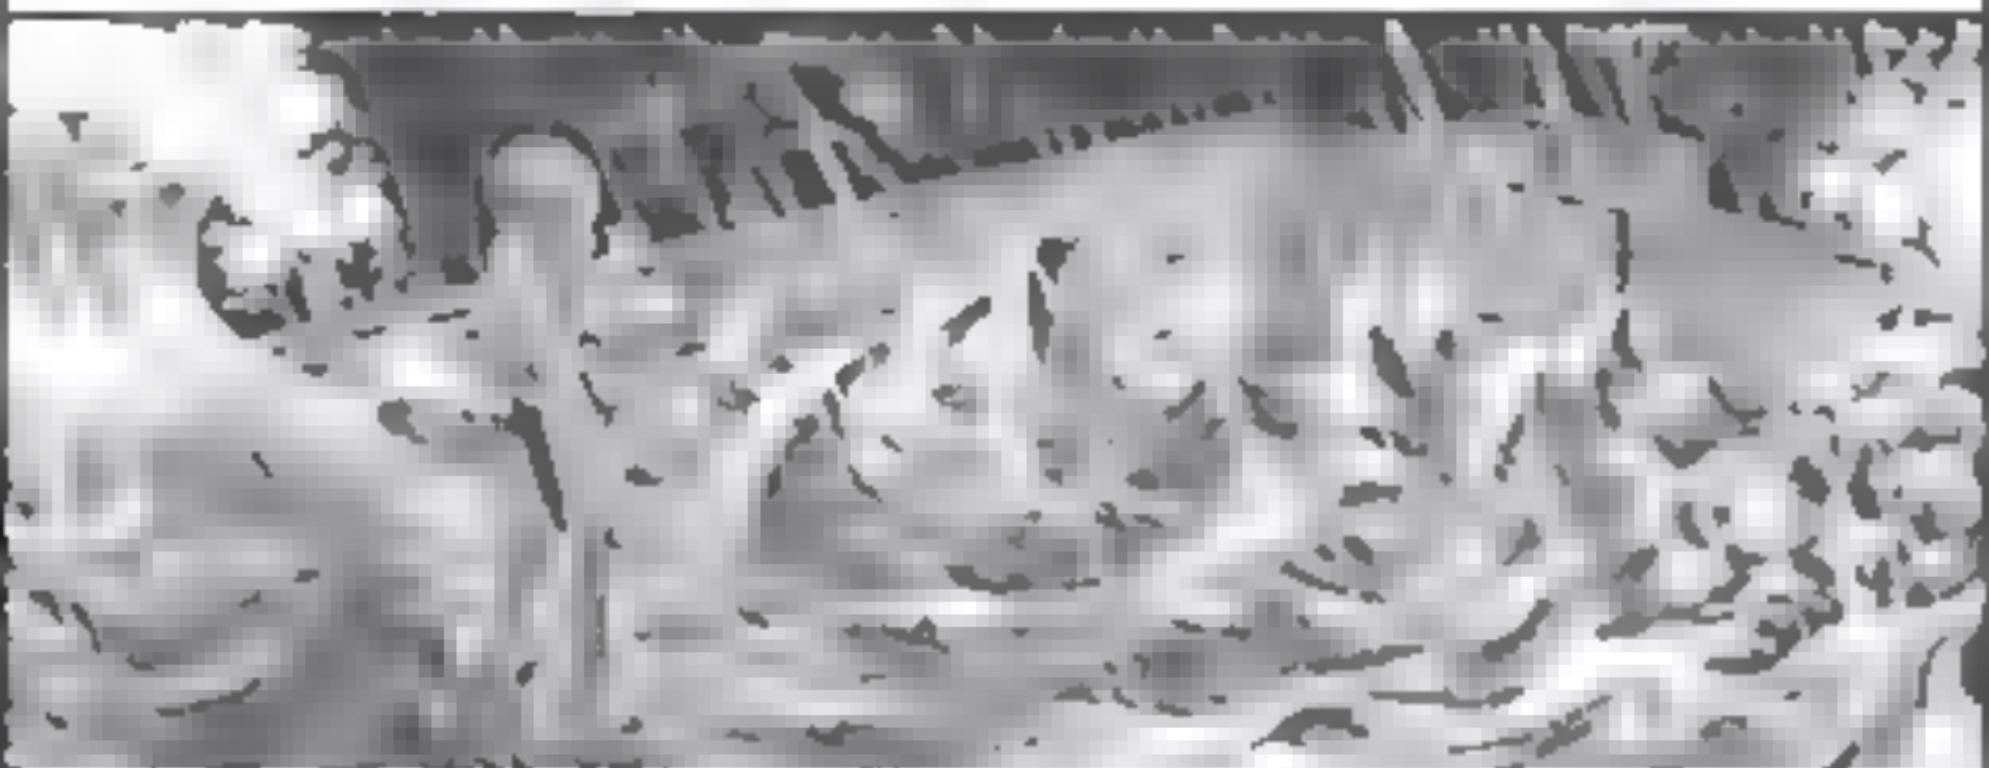

\*Gen. 7:11b-12

"the same day were all the fountains of the great deep broken up, and the windows of heaven were opened. And the rain was upon the earth forty days and forty nights."

All in whose nostrils was the breath of life of  
all that was in the dry land died - Genesis 7:22

**Every thing that breathed on the earth, died.**

Noah only remained alive, and they that were with him in the ark." Genesis 7:23

When the flood ended, the ark settled on Mt Ararat. All were safe.

God made a rainbow as a promise that He would never again destroy the earth by water.

Now do you understand about Noah?

We've got a hard climb ahead of us. The Czar wants us to find that ark so let's move out!

The Russian soldiers scaled Mt Ararat in two columns

One column was stopped by a swamp infested with deadly snakes and swarms of insects  
*They had to turn back.*

The others reached the ark and stood in awe at the sight

***It's Noah's ark!***

***That Bible story is true!***

The ark was about 500 ft long  
The entire back end was in ice

Inside the ark they found rooms with cages from floor to ceiling.

There was a dark brown substance like varnish inside and outside. The Bible says the ark was to be pitched within and without with pitch

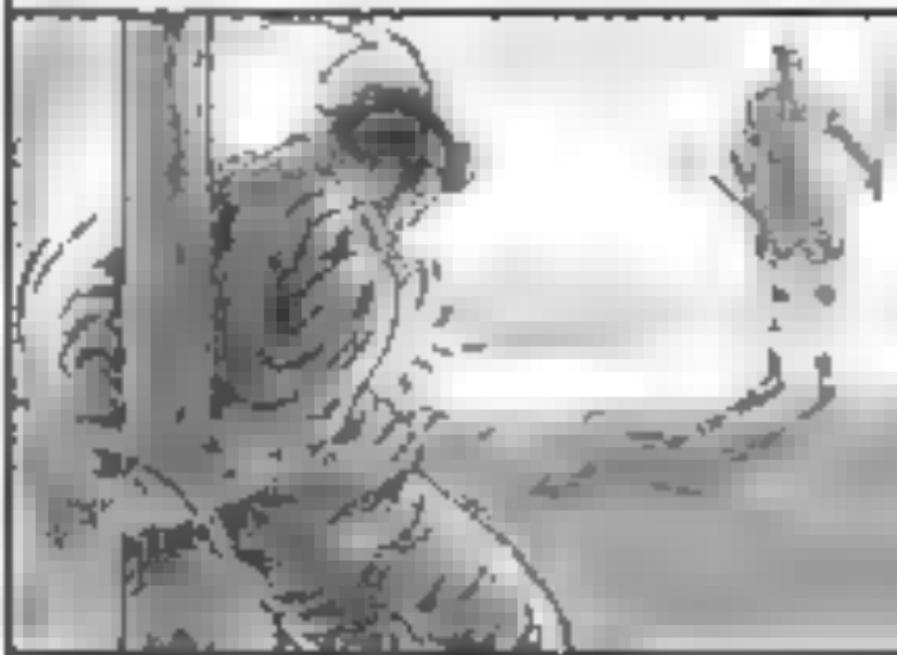

See Gen. 6:14

The documents proving the ark existed were given to a Russian soldier to deliver to the Czar

When he reached Moscow, he was captured by the Communists

Rumor has it he was shot and the documents fell into the hands of Trotsky the Communist leader

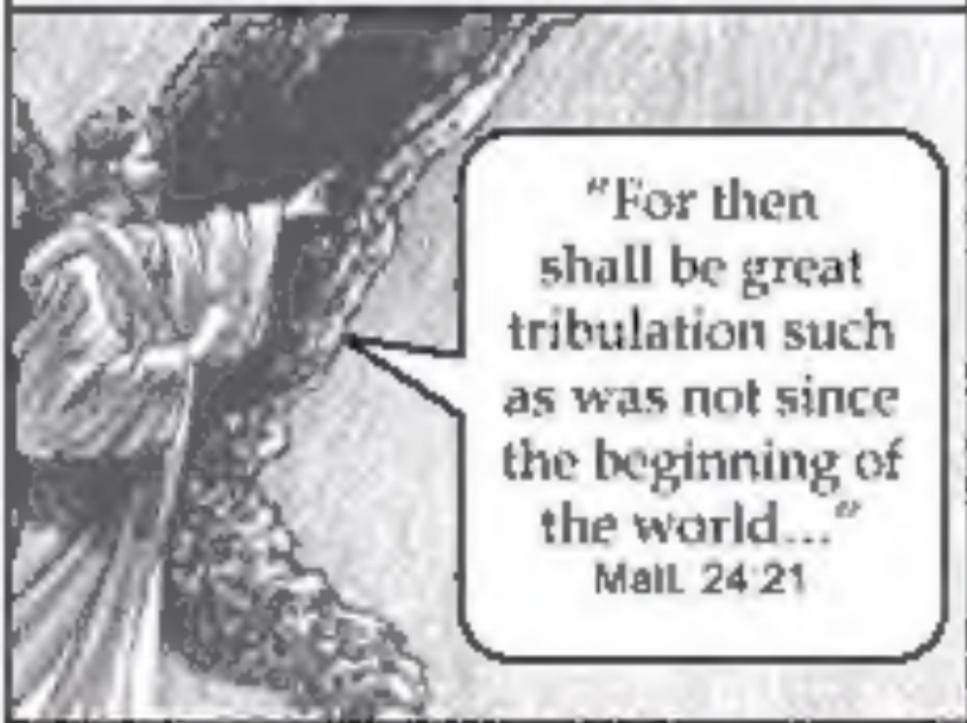

All the documents *disappeared!*

**Jesus Christ, the Creator, who sent the flood, came to earth as a baby. (See Colossians 1:16)**

**Thirty-three years later, He warned of a judgment worse than the flood.**

**Billions will die from famine, plague and war. 1/3 of earth will burn up.**

**"For then shall be great tribulation such as was not since the beginning of the world..."**

**Matthew 24:21**

**Noah escaped! So can you!**

First you must believe that Jesus  
shed His blood, died for your sins  
and rose from the dead.

When you accept Him as  
your Saviour, He will become  
**YOUR "ark" of safety.**

His promise is "The Blessed Hope."

"For the Lord himself (Jesus) shall descend from heaven with a shout,  
with the voice of the archangel, and  
with the trump of God: and the dead  
in Christ shall rise first." 1 Thess. 4:15

"Then we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air:

and so shall we ever be with the Lord."  
1 Thess 4:17

The ark saved Noah...  
and spared *him* from  
the coming judgment.

Jesus will save you ...  
and spare *you* from  
coming judgment too...

*if you will trust in Him and receive Him as your Saviour.*

"...Believe on the Lord Jesus Christ, and thou shalt be saved, and thy house." Acts 16:31

# THE BIBLE SAYS THERE'S ONLY ONE WAY TO HEAVEN!

Jesus said, "I am the way, the truth, and the life; no man cometh unto the Father, but by me." John 14:6

## NOBODY ELSE CAN SAVE YOU. TRUST JESUS TODAY!

"That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved." Rom. 10:9

1. Admit you are a sinner. See Romans 3:10
2. Be willing to turn from sin (repent). See Acts 17:30
3. Believe that Jesus Christ died for you, was buried and rose from the dead. See Rom. 10:9-10
4. Through prayer, invite Jesus into your heart to become your personal Saviour. See Rom. 10:13

## WHAT TO PRAY

Dear God, I am a sinner and need forgiveness. I believe that Jesus Christ shed His precious blood and died for my sin. I am willing to turn from sin. I now invite Christ to come into my heart as my personal Saviour.

If you trusted Jesus as your Saviour, you have just begun a wonderful new life with Him. Now:

1. Read your Bible (KJV) every day to get to know Jesus Christ better.
2. Talk to God in prayer every day.
3. Be baptized, worship, fellowship, and serve with other Christians in a church where Christ is preached and the Bible is the final authority.
4. Tell others about Jesus Christ.
