

TRUST  
THE  
SCIENCE

D.W.D.

*My discovery! I'll be famous!*

Books, magazines, documentaries ...

Thanks to Dr. Jim Johnson, [www.jcr.org](http://www.jcr.org)

Yes?

Get my  
coffee!

You're new, aren't you?  
It's right over th—

I do science. That's your job.  
Move it or I'll get you fired!

What are you excited about?

Why should  
I tell **YOU**?

Oh, alright...

I'll get you a cup  
of coffee....

After my Carbon-14 samples were scientifically dated...

How old are they?

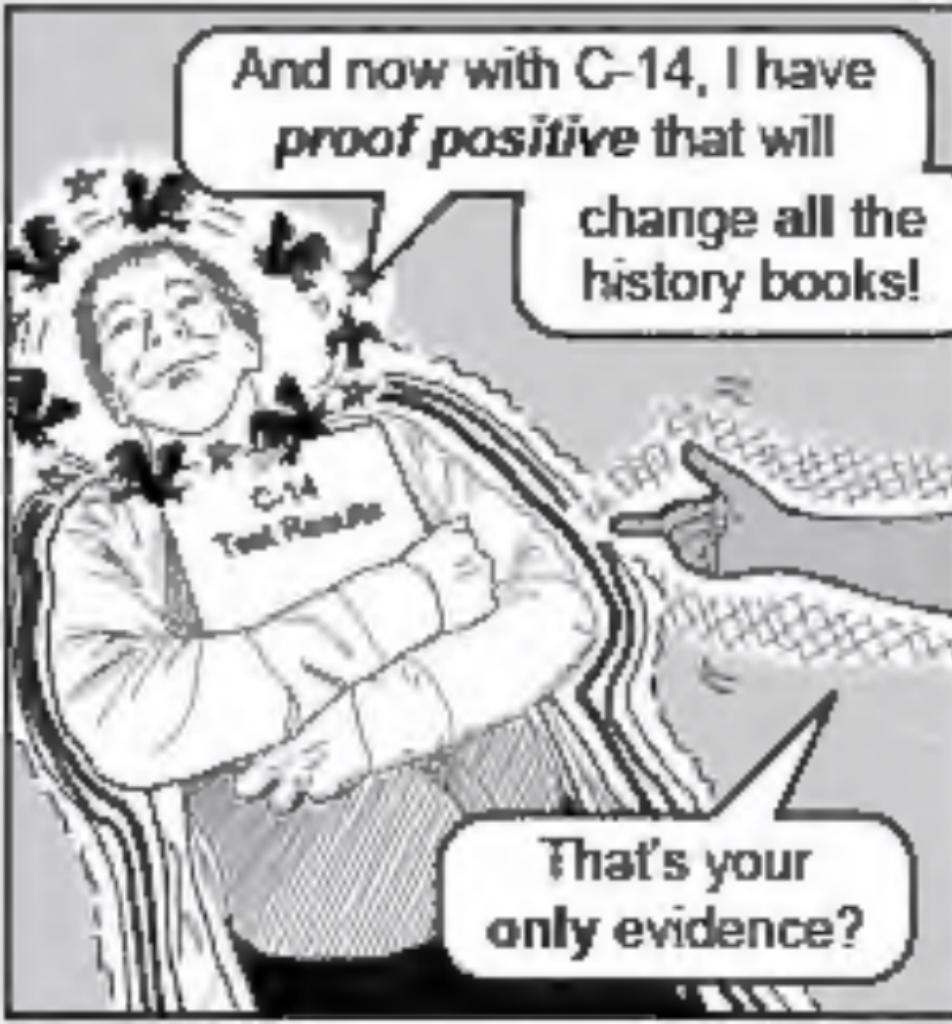

How old do you need them to be?

Wink!

... I told him my theory on their age.

Err... What a coincidence! That's exactly what the C-14 test showed!

Come back tomorrow and I'll have the paperwork all drawn up for you!

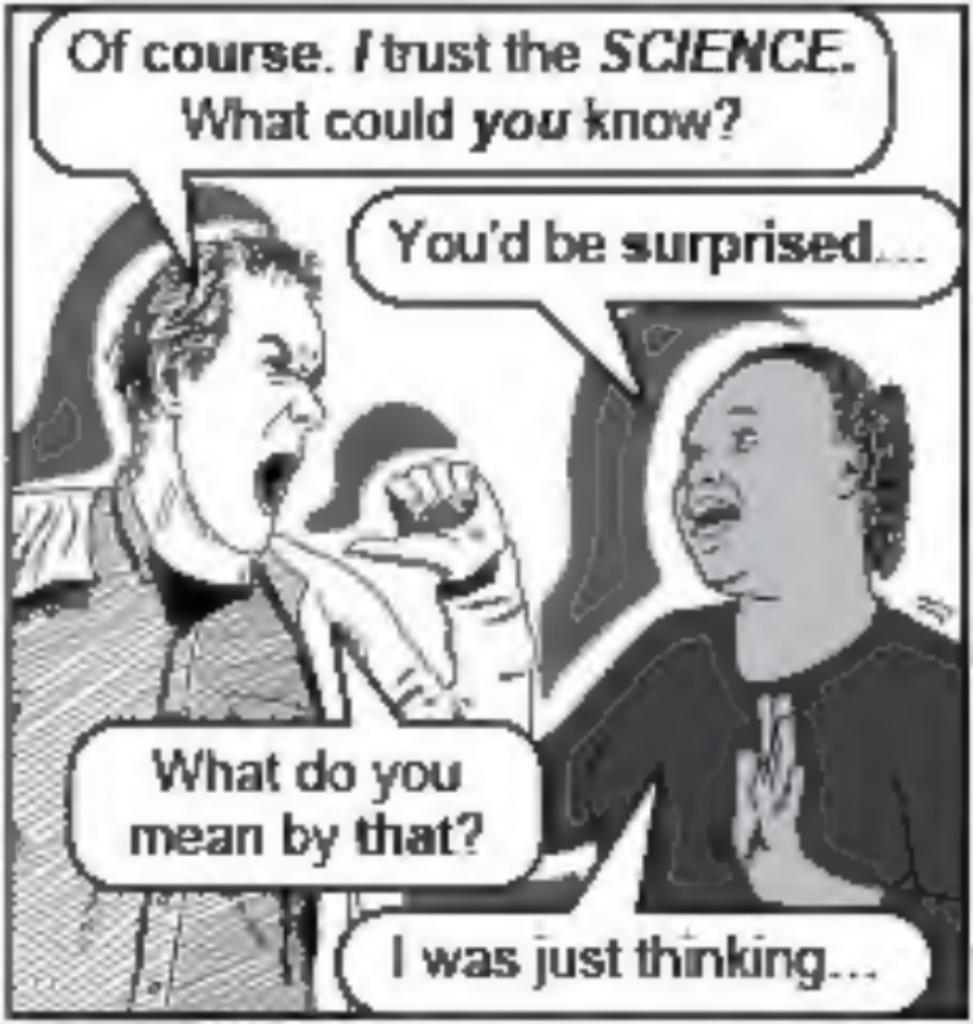

And now with C-14, I have  
*proof positive* that will

change all the  
history books!

That's your  
only evidence?

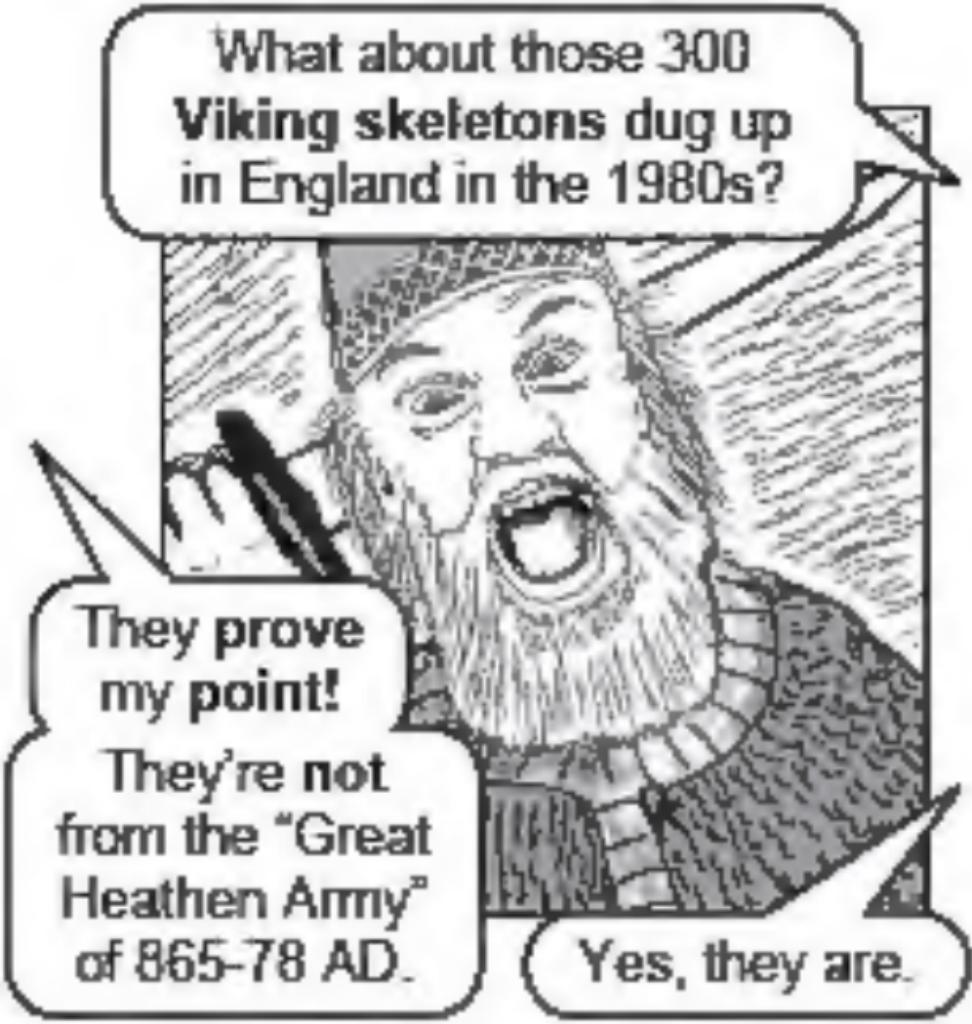

Of course. I trust the **SCIENCE**.  
What could **you** know?

You'd be surprised...

What do you  
mean by that?

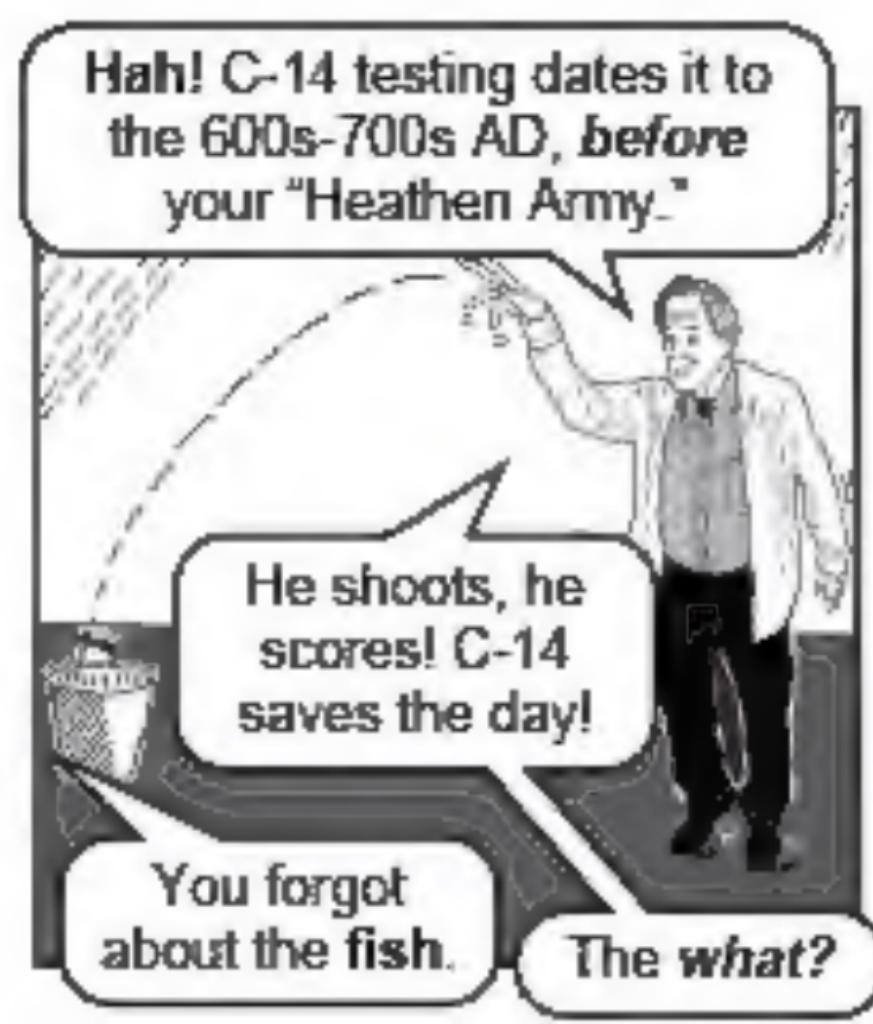

I was just thinking...

What about those 300  
Viking skeletons dug up  
in England in the 1980s?

They prove  
my point!  
They're not  
from the "Great  
Heathen Army"  
of 865-78 AD.

Yes, they are.

Hah! C-14 testing dates it to  
the 600s-700s AD, before  
your "Heathen Army."

He shoots, he  
scores! C-14  
saves the day!

You forgot  
about the fish.

The what?

Fish have less C-14. Vikings ate lots of fish. That made their bones test older than they really were. But C-14 wasn't the only evidence to date them.

There were the coins.

The Vikings had coins buried with them, only minted from 865 to 871, during the Viking invasion. Now I have a dating question for you.

<https://www.icr.org/article/viking-bones-contradict-c14-assumptions>

Can science tell you when  
you were born?

Trick  
question!

No test can reveal  
the exact date.

You're right. But think about this:

Who was there? Your mom, doctor,  
nurse, your dad. They wrote down  
the date and signed it.

*They are reliable  
eyewitnesses.*

So?

Good eyewitnesses can reconstruct the past.

We can't trust science alone to do it.

It's how we know what happened when Jesus ...

**HOLD  
EVERYTHING!**

How dare you talk *religion* with a scientist? I'll show you out the door before the day ends!

But—

How long have you been there?

Long enough.

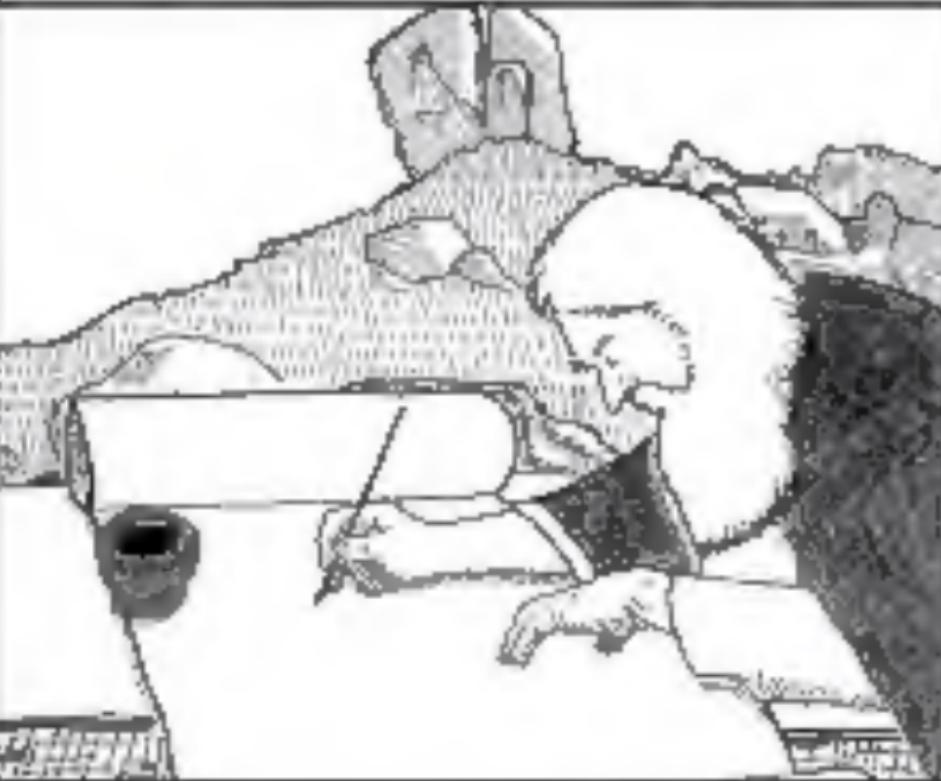

Please  
don't stop.

We want to hear.

Okay...

When it comes to *reliable history*,  
no ancient manuscript is as well-  
documented as the Bible.

If the gospel writers lied, thousands of people could dispute their story.

*But they didn't! Too many eyewitnesses knew the truth.*

The truth about what?

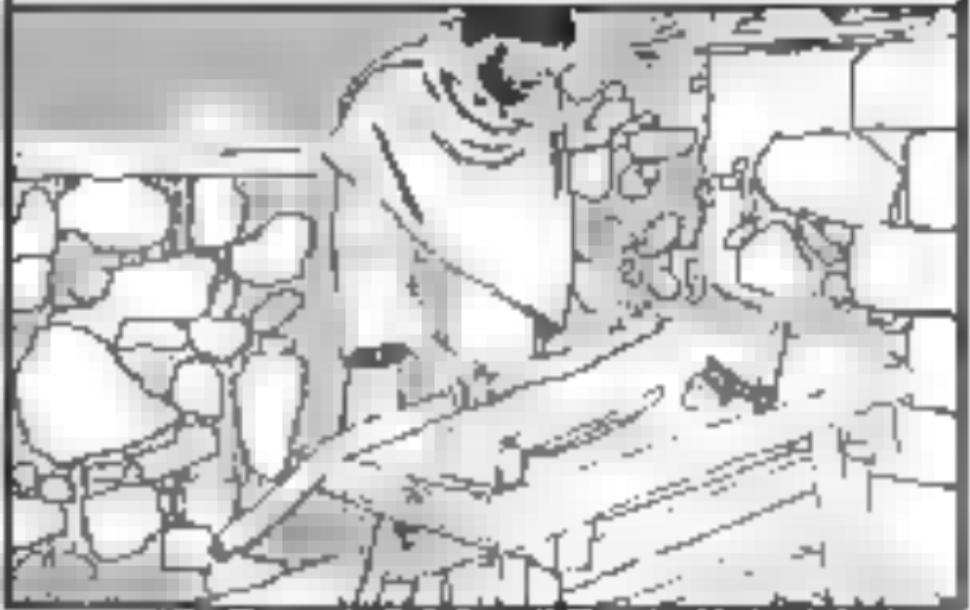

Jesus!

In Bethlehem, shepherds witnessed Jesus at his birth (Luke 2:1-16).

And that's just the beginning

In Nazareth, people watched Jesus grow up and learn the family business, like any good Hebrew

"Jesus increased in wisdom and stature, and in favour with God and man" Luke 2:52

Tens of thousands of eyewitnesses all over Israel saw Christ's ministry for 3 ½ years, starting with His baptism

"... and all the multitude resorted unto him, and he taught them" Mark 2:13

A multitude saw Christ's public trial. And . . . they watched Him die.

"Father, forgive them, for they know not what they do "

"For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life " John 3:16

*Then He was buried in a tomb.  
But three days later .*

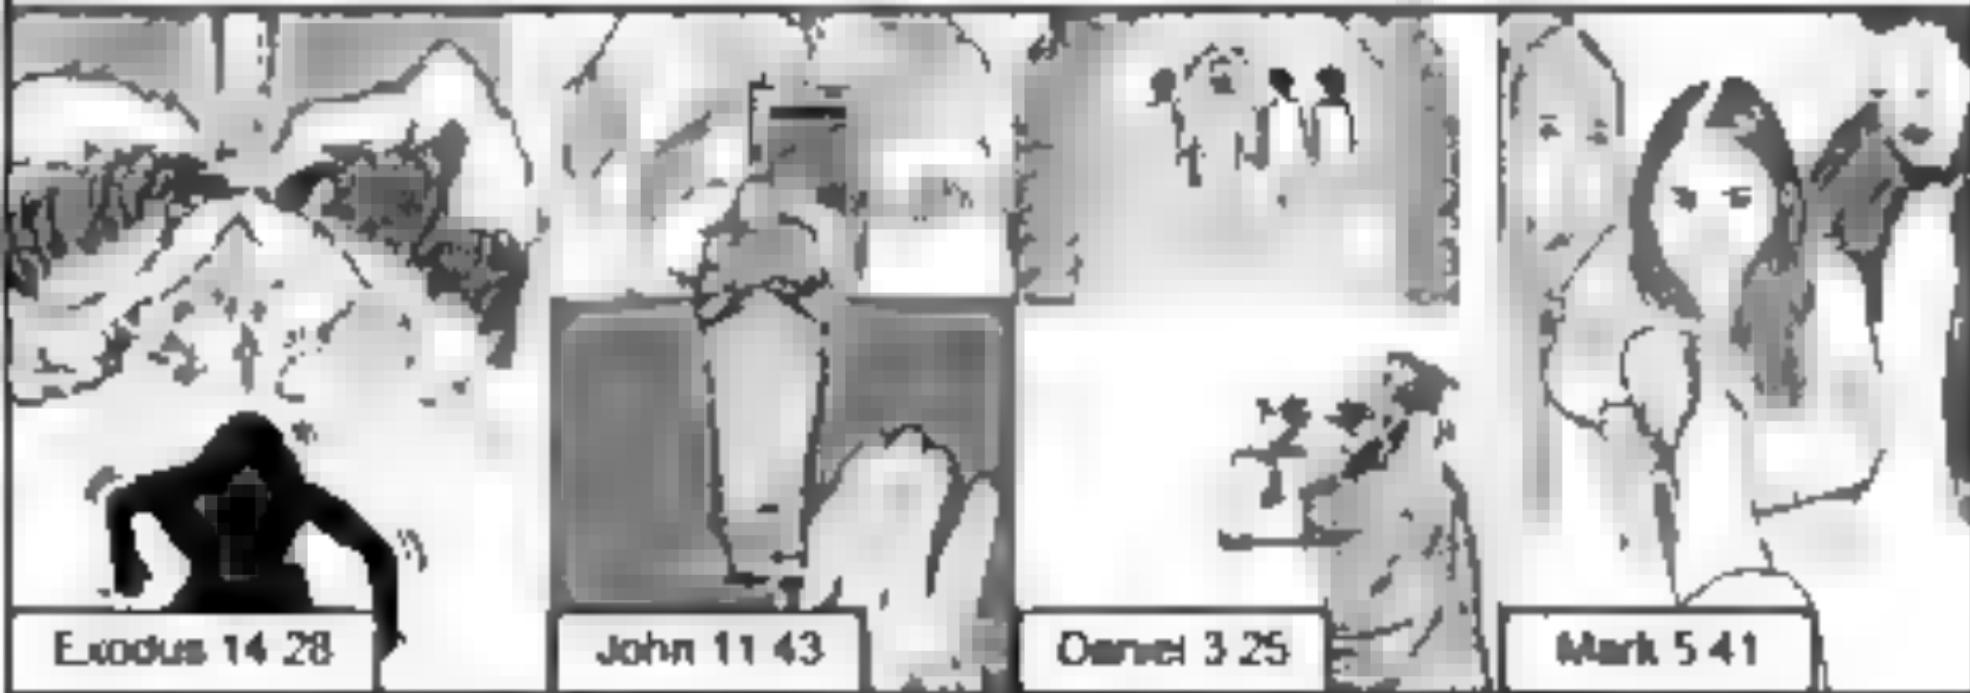

**He walked out of the grave! For 40 days, over 500 eyewitnesses saw Him.\*  
Apostles saw Him go up into heaven\*\* and angels promised His return.†**

\*1 Cor. 15:6 \*\*Acts 1:9; †Acts 1:10-12

**They were there, witnessed it and wrote it down in the Bible (1 John 1:1-4).  
No scientist can disprove that**

No lab can repeat a miracle that God does only once. Science based on observations is only for events we can reproduce—not unique events in the past. For those, we need eyewitnesses.

Exodus 14:28

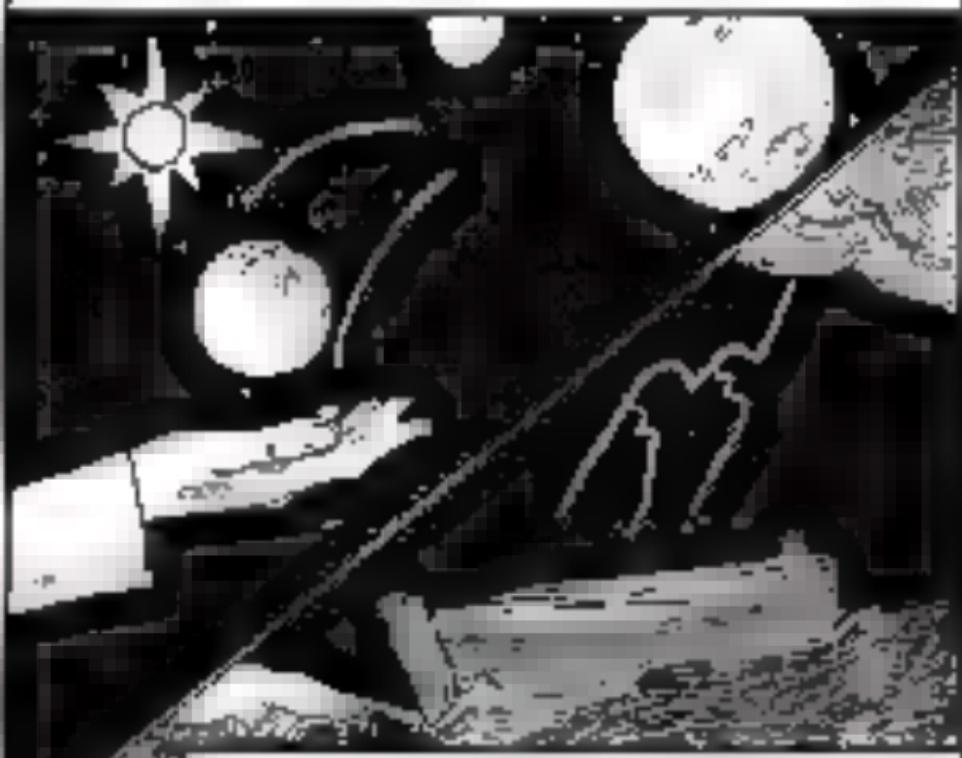

John 11:43

Daniel 3:25

Mark 5:41

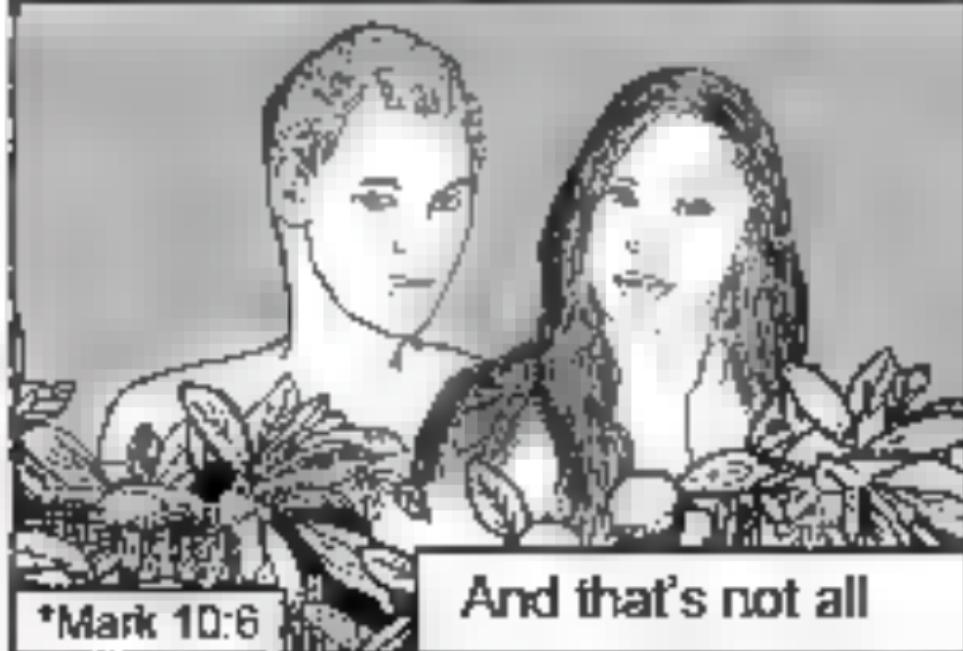

"Un-scientific" means it's not the *realm* of science. Look what Jesus believed.

Jesus believed in two other  
“unscientific” events.

The creation and the flood.

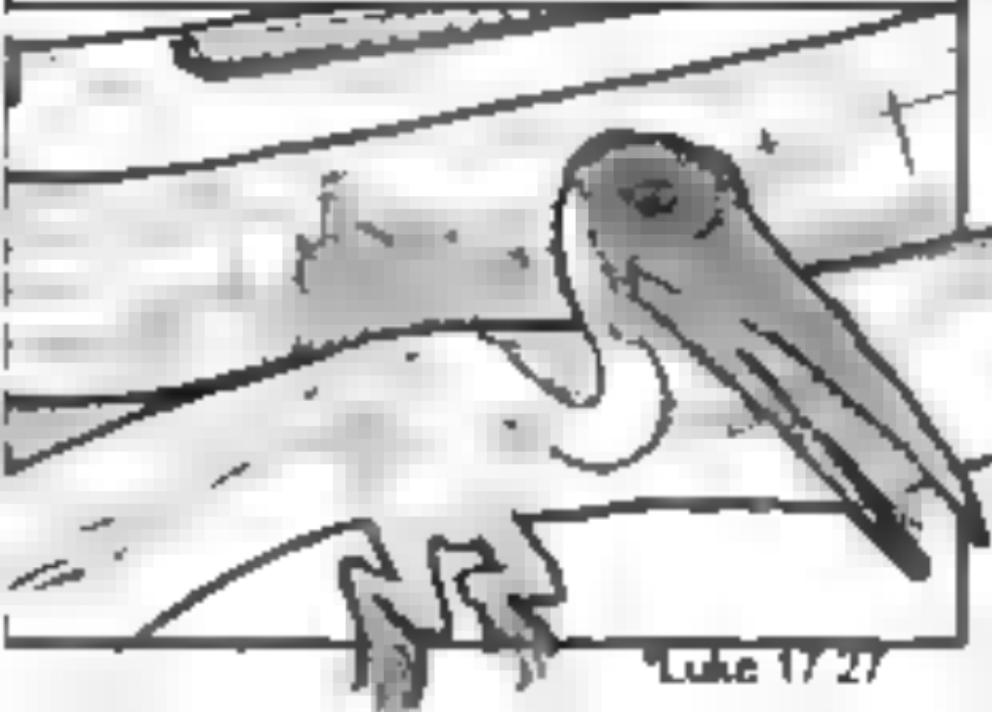

Jesus didn't believe in evolution. He said, “But from the beginning of the creation God made them male and female”\* not genderless amoebas.

\*Mark 10:6

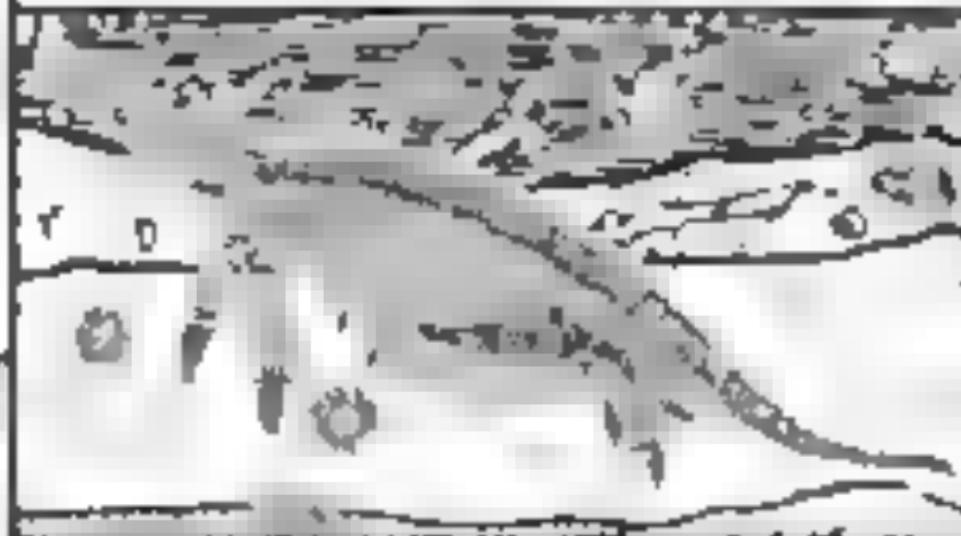

And that's not all

Jesus believed in the flood,  
"the day that Noe (Noah) entered  
into the ark, and the flood came and  
destroyed them all"

Luke 17:27

We find ocean fossils in all the  
inland rock layers on earth

Suddenly buried and fossilized --  
while giving birth!

Only a worldwide flood  
can explain that

**Scientists weren't there when the world was created. But there  
was an eyewitness. JESUS, because He is the Creator!**

**John 1:3 "All things were made by him, and without him  
was not any thing made that was made"**

**Colossians 1:16 "For by him were all things created,  
that are in heaven, and that are in earth      all things were  
created by him, and for him"**

**And Jesus is also the JUDGE of all.**

This Judge will need no witnesses He already knows all the facts "The eyes of the LORD are in every place, beholding the evil and the good."\* Our sins are all recorded. We are already condemned. But there is a way out.

\*Prov 15:3

- "In the day when God shall judge the secrets of men by Jesus Christ." Romans 2:16
- "For the wages of sin is death, but the gift of God is eternal life through Jesus Christ our Lord." Romans 6:23

Jesus offers us the free gift of salvation that He bought for us on the cross. But we must want this gift, admit that we are sinful and turn to Him in faith.

"Unscientific," but with all those witnesses, we know it's true.

Makes sense...

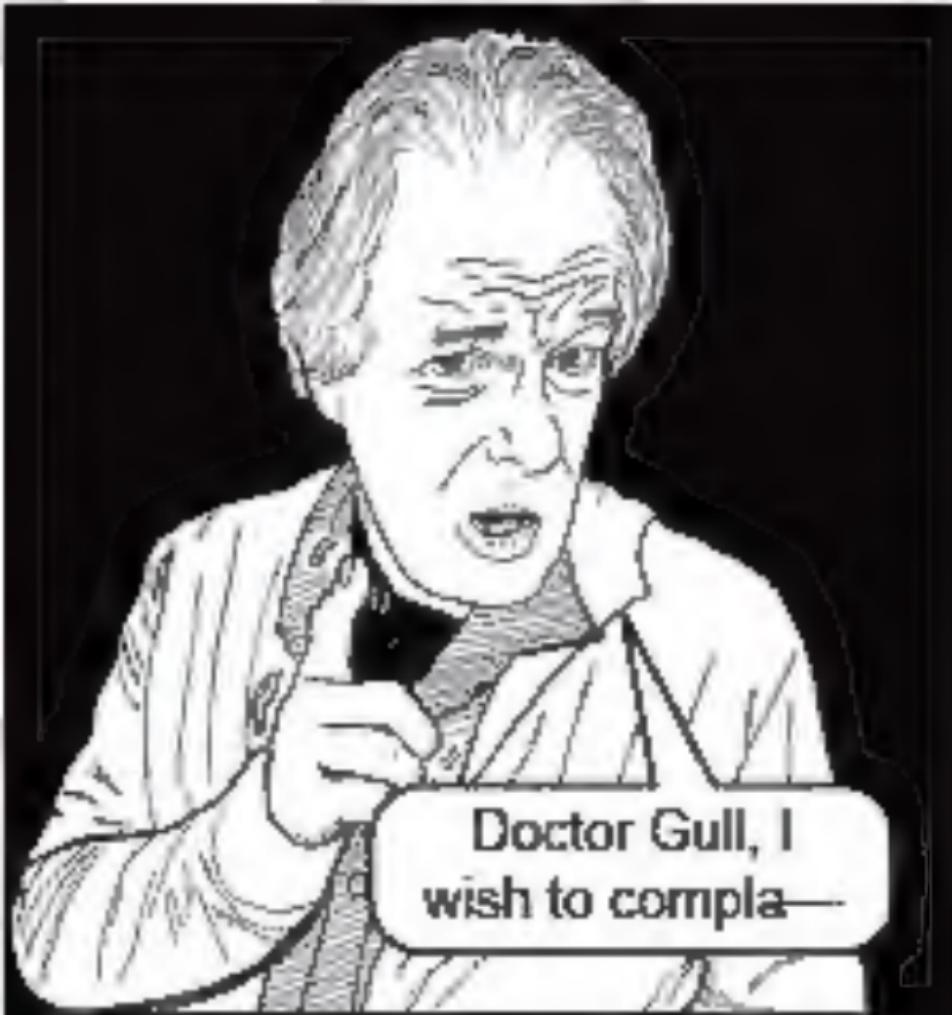

How do I  
pray?

I'll show  
you.

Alright...

Who's in  
charge here?

Dr. Gull

Never mind...

I'll show  
myself out.

"...Believe on the Lord Jesus Christ,  
and thou shalt be saved..." Acts 16:31

# THE BIBLE SAYS THERE'S ONLY ONE WAY TO HEAVEN!

Jesus said, "I am the way, the truth, and the life: no man cometh unto the Father, but by me." John 14:6

## ***NOBODY ELSE CAN SAVE YOU. TRUST JESUS TODAY!***

## ***WHAT TO PRAY***

Dear God, I am a sinner and need forgiveness. I believe that Jesus Christ shed His **precious blood** and died for my sin. I am willing to turn from sin. I now invite Christ to come into my heart as my personal Saviour.

*If you trusted Jesus as your Saviour, you have just begun a wonderful new life with Him. Now:*

1. Read your Bible (KJV) every day to get to know Jesus Christ better.
2. Talk to God in prayer every day.
3. Be baptized, worship, fellowship, and serve with other Christians in a church where Christ is preached and the Bible is the final authority.
4. Tell others about Jesus Christ.
