

**HE NEVER  
TOLD US!**

J.T.C.

Charlie was a WONDERFUL Christian who loved the Lord!

He never said a word to me!

A Christian?

Me either...

And I worked with  
him for 20 years.

# On Judgment Day

Why isn't Charlie down here with us?

Because he accepted Christ when he was nine years old.

You mean he **KNEW** about hell... and never warned us?

That's the Great White Throne Judgment, Charlie. Your old friends over there can't see you.

They are the ones you were supposed to tell about Jesus.

They all have one thing in common now.

What's that?

They all will burn forever.

You KNEW these people would face God on Judgment Day.

Yes, but I didn't have the guts to tell them about Jesus.\*

"Depart from me, ye cursed, into everlasting fire."

Oh, how I wish I could have reached them!

\*Matt. 25:41

"For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth..." Romans 1:16

**Why didn't he  
warn us?**

*You could have  
given them the  
gospel, Charlie.*

***Me! ...  
HOW?***

Why didn't you give them tracts?

**TRACTS!** Are you serious?

*That's how I got saved!*

And millions of others are here  
in Heaven because of tracts, too!

I gave one to everyone I met.

When I was too shy or didn't have time, I just gave them a tract.

The most effective tracts I used were the illustrated ones.

They're called Chick tracts.

Here are some testimonies... ➔

# He made me FURIOUS!

"A Christian at work listened to me talk about reincarnation, New Age philosophy and occult phenomena I had experienced. After gently trying to witness to me (with no response), he gave me some Chick tracts. I took them home to read them and became incensed and indignant! How dare he give me such propaganda..."

I'll show him!...

My father was a 32° Mason. My uncle was a medium. My mother, sister and I all had psychic abilities.

Since those tracts referred again and again to Bible scripture, I decided to beat him at his own game. I would look up every scriptural reference and prove that it was not backed up by the Bible...

I picked up my Bible (for the first time in 20 years), and started reading. Something was dreadfully wrong! As I read, I kept coming back to the verses that are always at the back of the Chick tracts. Yes, something was wrong and that something was *my life* ... !

I can't believe I did this...

That very day, to my own surprise, I was on my knees praying to Jesus Christ for forgiveness and asking Him to be my Saviour. I've never felt so convicted of sin as that first time I got down on my knees. It seemed for a split second I saw myself as God sees me and I broke completely.

Later, I left on some errand, and my husband came home and saw the Chick tracts I had left on the table

He read them, had the same initial reaction, and then did the same thing I had done earlier that day'

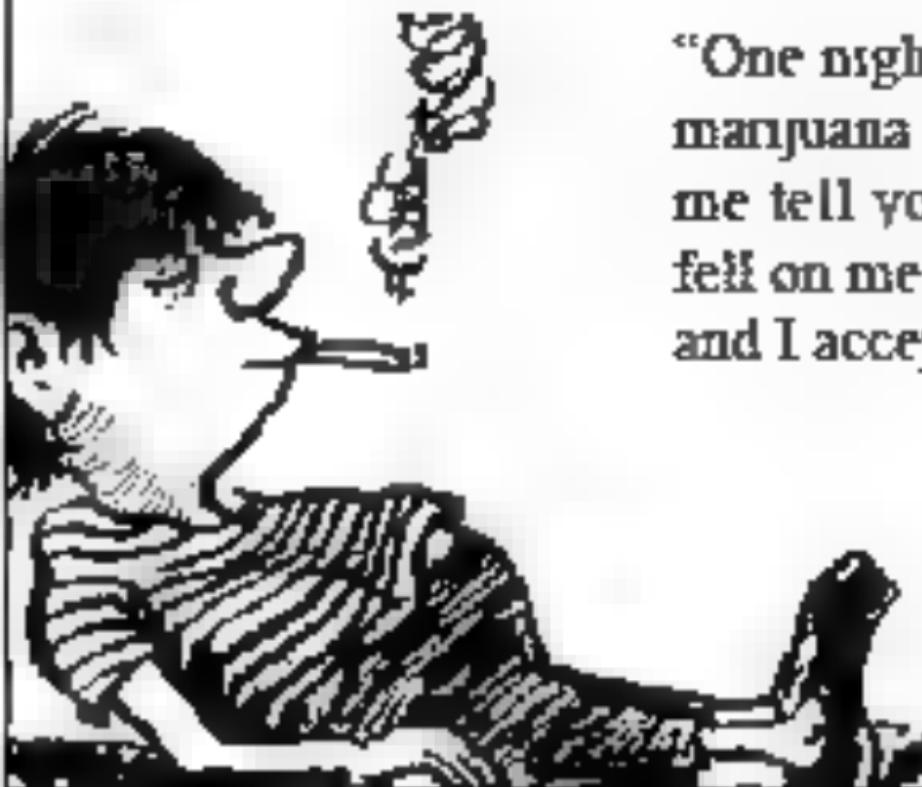

*We didn't dare tell each other!*

For one day and a half we were terrified to tell each other that we had become Christians. We were afraid we would "botch it" and turn the other person off to Jesus Christ

God took care of that! After a scary, then praise-filled night we shared our hearts with each other."

## **Thousands of other testimonies have come in over the years:**

**"One night when I was flying high on marijuana someone gave me ONE WAY! Let me tell you, God's Holy Ghost conviction fell on me immediately, and I accepted Christ as my Saviour "**

**This next person was  
furious. Find out why...**

"A lady in a salesroom 70 miles from home  
read some tracts I left there two years ago.  
She got very angry at the time and would  
have liked to get her hands on me  
  
But then, she had an attitude change by  
receiving Jesus into her heart!"

"I was about 10 years old when a lady handed me a Chuck tract while fishing on the ocean beach pier with my family. That night I accepted Jesus Christ as my Saviour. It's a night I'll always remember. It's already been twenty years since that night."

This next man got stopped by the police. Find out what happened!

"While traveling out of state, I was stopped for speeding and fined. After paying the fine, I gave the officer **THIS WAS YOUR LIFE!** and went on my way

One week later his wife wrote me that both she and her husband had accepted Christ after reading that tract"

## Sometimes Chick tracts make people squirm. .

"When I was in the world, I used to pick up your tracts and squirm, but I would read them. They planted some good seeds, which helped me find the Lord."

This teen was about to kill himself,  
but something stopped him...

"In high school I played in a rock band and used alcohol and drugs to escape loneliness. I planned to end the madness with my Dad's .22 pistol, but my grandmother convinced me to go to church one Sunday.

Arriving early, I waited next to a rack of Chick tracts. I looked through one in Spanish. I can't read Spanish, but I understood the pictures. I accepted Jesus that morning and am now an ordained pastor."

## **Look what can happen when you have your church name on the back of your Chick tracts**

**"An elderly couple, 69 and 67 years old, came forward in a church service and accepted Christ. The wife had recently picked up your tract THE ASSIGNMENT in a local restaurant and they both read it. The tract bore the imprint of our church and as a result they came to the services and got saved."**

Don't forget to send tracts to your missionaries!

"I sent Chick tracts to my friend in the Philippines. He called me long distance to tell me he was now 'born again' because of those tracts."

"A young Chinese man that my husband had witnessed to while in Hong Kong called to tell him that he got saved reading a Chick tract."

Note: Over 1000 foreign language tract titles available.

Don't make the same mistake  
Charlie made. Start leaving  
Chick tracs wherever you go.

When you get to Heaven,  
you'll be glad you did.
